

Nursing & Midwifery Facilitator Resources

- **Blackboard**

If you are not already logged onto [Blackboard](#) you will be asked to log in and after having done so an access denied screen will appear, just click on 'Clinical Partners Clinical Partners' which appears on the right-hand side on the access denied screen and you should be given access. Log in using the Blackboard Username and Password (not the Sonia/WILS login) that you have been given previously. If unsure, please contact Nursing Placements on 5456 5005.

- **Incident Reporting**

All incidents must be reported using the [USC Injury/Illness/Near Miss Incident form](#). This online form replaces the previous incident form on WILS.

Instructions:

1. Access the [USC Injury/Illness/Near Miss Incident form](#) on the USC website.
2. Enter your contact details in the space provided.
3. For 'Location', select 'Off campus incident' from the drop down menu.
4. For 'Which of the following best describes the incident', select '2. WIL Placement Injury/Illness/Near Miss Incident' from the drop down menu
5. Proceed to enter details of the incident in the spaces provided.
