

Queensland Health Requirements

All students must complete orientation before commencing a placement within a Hospital and Health Service (HHS). Once this is done, the Student Orientation Checklist and Student Deed Poll must be signed and uploaded to your WILS online account. This applies to ALL HHS facilities.

In addition to the Student Orientation Checklist and Student Deed Poll, each specific HHS has individual requirements that must be met, and consequences if they have not been completed. The information below is what is included in the Placement Agreement between USC and each HHS

THE CLINICAL EDUCATION SUPPORT OFFICER WILL SEND YOU ADDITIONAL PLACEMENT INFORMATION THAT SHOULD ADVISE WHEN THEY NEED TO SEE YOUR TRAINING RECORD. SOME HHS MAY PROVIDE YOU WITH ADDITIONAL TRAINING REQUIREMENTS OR HAVE THEIR OWN LEARNING MANAGEMENT SYSTEM. **PLEASE FOLLOW ALL REQUESTS TO COMPLETE PRE-PLACEMENT TRAINING/ORIENTATION AND PROVIDE EVIDENCE OF THIS COMPLETION WHEN ASKED.**
